INDEX OF VOLUME XIV

Journal of the Cactus and Succulent Society of America

1942

Names of plants are spelled as given in the author's copy. The Journal has made every attempt to assure accuracy of all names used, but does not guarantee them to be so. Items in CAPITAL LETTERS indicate the title of an article. Page numbers in bold type (12) indicate an illustration of the item named. " " Quotation marks indicate the title of a book or other work. Only full names of persons are indexed. All plant names are in *Italics*. Major references are either in capital letters or bold face figures.
